MAKING A DIFFERENCE: OVER \$7K DONATED TO CHARITY

The Cultural Society of Filipino-Americans (CSFA) committed its support, at the last board members meeting, in urgent response to addressing the needs of displaced people in the Twin Cities and throughout the world.

Financial aid is made possible thru the many fundraising activities (e.g., caroling) and other funds of the organization.

CSFA is proud of its members in this outstanding outreach to bring relief to people struggling to survive. The organization remains committed to its mission of preserving, promoting and sharing valued Filipino custom and traditions through cultural, educational, social and philanthropic activities.
